

CREATE AN ACCOUNT IN NH EASY

These are the instructions to set up a NH EASY account. If you have a NH EASY account, you can manage your case online. You will also be able to use your NH EASY account to pick a Health Plan online when the time comes.

NH EASY is an easy, fast, and private way to look at and manage your case online. Follow these 5 simple steps to create your NH EASY account.

1. Go to www.nheasy.nh.gov
2. Select "Create Account"
3. Enter your information and select "Don't have a PIN?" (Personal Identification Number). We will then send you a PIN in the mail.
4. When you get your PIN, go back to www.nheasy.nh.gov
5. Select "Create Account," enter your information and PIN and select "Next."

Congratulations – You now have a NH EASY account.
